

ALBERT KRIAN D. NAING

Computer Science Student

 09686172063  albertnaing22@gmail.com  P3 Brgy 1 Daet Camarines Norte

ABOUT ME

Computer Science student with a strong interest in problem-solving and logical thinking, developed through chess, Rubik's Cube, and other problem-solving activities. Experienced in academic and client-based web and software projects, with a growing foundation in programming, databases, and web development. Comfortable working independently while also able to collaborate effectively in a team. Seeking a practicum opportunity to gain real-world experience, strengthen technical skills, and contribute to meaningful projects.
